

Message from the Chairman

This January 17th, 2010 will be our 15th Annual Bowl-A-Thon to benefit "The Kitchen". Our Goal this year is to raise \$55,000 and with your sponsorship and our bowlers, we can make this year another huge success. Every penny, nickel, dime, and dollar (yes, 100%) from the Bowl-A-Thon goes directly to the Kitchen, the Knights cover the operating costs to host and plan the event.

"The Kitchen" provides help and assistance to the many homeless and disadvantaged right here in our community. Everything from a hot meal, to a warm/dry place to stay, assistance with medical treatment and prescription needs. Each year the needs increase, and The Kitchen provides all of this at no cost to the recipients. So please share your blessings, get out and have some fun and let's raise a lot of money so The Kitchen can continue to provide these much needed services and improve the quality of life for many, right here in our community.

May God Bless You!

Dean Arens, Co-Chairman

Rocky Gambon, Co-Chairman

Food Drive

This year, everyone is asked to bring canned food and/or non-perishable food items to place in our collection barrels at each of the Bowling Centers. Your generous sharing over the past several years has resulted in literally thousands of pounds of food and supplies for "The Kitchen". Take a minute, stop and think about what you had for dinner last night. Now realize that there are many less fortunate in our community that would have went with nothing to eat last night had it not been for the out-reach that The Kitchen provides.

History

Over the past 14 Bowl-A-Thons, the Knights have raised over \$380,000 for The Kitchen, with last year's total, for the one day event being \$50,000.

This year our **Goal** is to present to The Kitchen a check for **\$55,000**. We know that this is very ambitious, but with every dollar donated by our bowlers, corporate sponsors and friends we come a little closer to meeting that goal.
